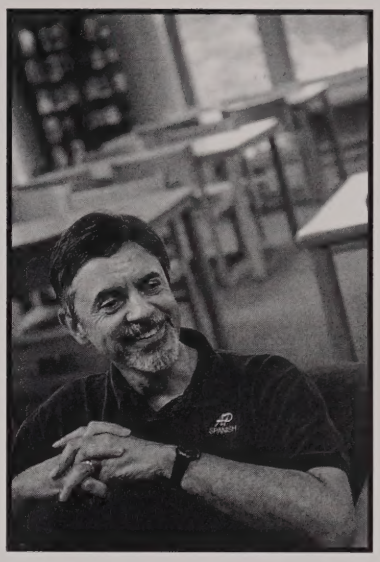
George Watson is named Massachusetts Teacher of the Year for 2008-2009



When you talk to George Watson, the first thing he might ask you is whether you would like to converse in English or in Spanish.

It is his dream that one day everyone will be able to reply, "either" or perhaps una.

One of the perks of becoming teacher of the year is that he will speak around the state about education strategies. He said he will attempt to convey his philosophy of global learning. A global issues program is already in the works at Walpole High that would bring together a variety of high school courses on an international theme.

He and the winners of the award in 53 states and territories will gather in Dallas next winter where they will meet the newly elected U.S. president. Four semifinalists will be announced at the Dallas convention, then the national winner will be announced in late January in Washington, D.C. If Watson were to become National Teacher of the Year, he would receive a one-year sabbatical to speak around the United States.

"This is going to be a whirlwind of a year," Watson said, adding that he is overwhelmed at being named Massachusetts Teacher of the Year, and could not imagine becoming the national winner.

To be considered for the award, a top district administrator must nominate a teacher. The nominee must videotape a class for review, write numerous essays, get letters of recommendation from colleagues, principals and others, and appear before a panel of state education officials, who select the winner.

I had to be convinced, encouraged to go through the process, said Watson.

He thanked his students for doing such a great job in the oral presentations he videotaped for the review.

In the finals for Teacher of the Year in Massachusetts, while preparing to make a presentation before the panel of 10 judges in the state Department of Elementary and Secondary Education, Watson considered talking about his use of music. He went a different route, however, and talked about his students - past and present. Connor was one of those students. Watson was Connor's teacher while he attended Walpole High. After Watson brought him and others on a trip to Spain, Connor said, he was hooked on Spanish. Because of Watson, Connor said, he went on to major in Spanish and teach it before returning to Walpole High as vice principal. All the while, he stayed in touch with Watson, his mentor. "I believe teachers really change lives," Connor said. "George is one of the teachers that changed my life."

Watson said he talked about an array of different students, choosing at times to convey little success stories.

Sometimes its the little victories, he said.

Watson said his teaching philosophy is that every child wants to learn.

It is important he said, for teachers to realize that when they go into a classroom and teachers must also bring their own excitement about the subject to the course.

Children are excited to enter kindergarten and first grade, Watson pointed out, asking why does that excitement wane?

Watson, a 59-year-old Mansfield resident, is married with two children. He began teaching at Walpole High in 1973.

At that time, he said, there was a "certain elitism" in foreign language studies.

"We've come such a long way," Watson said, proud that he was able to help make foreign language a graduation requirement.

Today, Principal Alan Bernstein says Walpole High's foreign language department is extremely successful in large part due to Watson. Bernstein said students often take two languages for two to four years.

"Give me a student with a set of eardrums and vocal chords and I can teach them a language," to varying degrees, Watson said.

For 10 years, he said, hes been working/fighting for foreign language integration further into the middle schools and even elementary schools.

The earlier the better, he said. Theyre like sponges, they just absorb it so quickly.

Bernstein, who wrote one of Watson's letters of recommendation, called Watson an inspiration.

"I couldn't think of a more deserving person," he said.

The principal said Watson has certainly brought a lot of pride to the Walpole High School.

One of Watsons goals, he said, is to put Walpole on the map as a school district.

Watson became department head of foreign languages in 1980. It was then that he established exchange programs with Spain and Costa Rica to propagate his theory of global learning.

The teacher of the year thanked his own former department head Peter Pagliani for a lot of his success. Watson said he hopes to give a voice to veteran teacher while touring the state education system in a teacher crisis.

This summer, Watson will be taking 17 students to Costa Rica, his parents' native land, to study at Walpole High's sister school in Palmares.

Along with Spanish, Watson also speaks French and he has studied Italian and German. He hopes to learn Chinese in the future.

The French exchange program has been put on hold for some years due to the French teachers young children, but Watson hopes to bring it back soon. He also wants to bring a Chinese program to the school.

Back Row: Coach Murphy, Jess Caron, Courtney Fagan, Krista Meyer, Jackie Bowes, Danielle Hatch, Besty Rockwood, Kellie Sullivan, Amanda Waldron, Emily Painten.
Second Row: Kelly Burke, Susan Conroy, Megan Brady, Kristen Valentino, Taylor Silvestro, Liz Malone.
Bottom Row: Cori Cisternelli, Jordan DaSilva, Deirdre Quinn (Captain), Kim Cunniff (Captain), Emily Charpentier (Captain), Nikki Panciocco (Captain), Maria DeNapoli, Kelly Davis.

Bay State League Champs

This season the Porkers have an excellent starting line: Emily Painten, Taylor Silvestro, Megan Brady make up the forward line; Emily Charpentier, Kim Cunniff, Nicole Panciocco, and Deirdre Quinn make up the midfield; Danielle Hatch, Kelly Sullivan, and Liz Malone are the defenders; and Kelly Davis is the goalie.

The team was off to a great start this season, dominating the Bay State League as usual. One reason for this success is the teams ability to interact well with each other on the field. Senior Captain Kim Cunniff says, Everyone knows their positions and communicates very well with each other.

The Rebels went into the tournament ranked #1 with a record of 17-0-1. After an exciting over time win over Wellesley, they went on to beat Notre Dame in the division finals. Unfortuntately they lost out to Acton-Boxboro in the semi-finals for the state title.

Superbowl bound...

The team was led by captains Joe Drinkwater (Tight End, Linebacker, #45), Billy Hickey (Wide Receiver, Cornerback, #32), and Andrew Fellini (Offensive Line, Defensive Line, #75).

The team had an outstanding regular season and was rewarded to a trip to the Eastern Mass Division 2 Superbowl. Despite the freezing cold weather it appeared that the entire town turned out to Gillette Stadium to support the Rebels. The game itself was as intense as the weather. Both teams put up quite a fight. Unfortunately the Rebels could not hold onto the win and lost to Bishop Feehan 26-20.

Although disappointed the team does recognize their strong efforts this season. Despite losing such a strong group of seniors, the remaining members of the squad are looking forward to winning that state title next season.

The WHS volleyball team is sure they want to do one thing and one thing only in 2007: to make the season count.

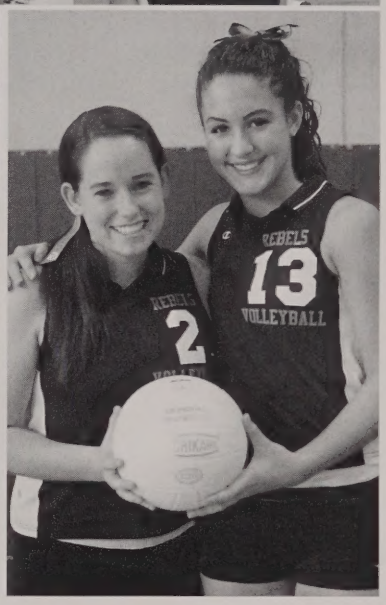
The girls know that many teams will underestimate them because 2007 is supposed to be a rebuilding year for the Rebels. Only two varsity members are returning from 2007 -- Emma Crimmins and Courtney Gouthro -- and only two tournament members are returning -- Jeannie Le and Khadija Layne.

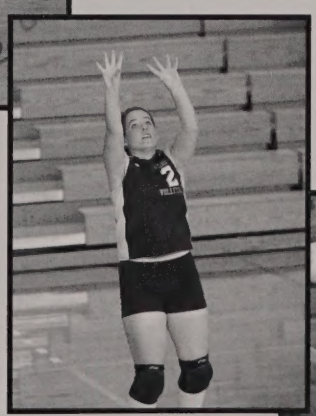
In the final huddle against Milton September 10 at their home courts, the team told themselves that [they] are the underdogs and it will be up to [them] to come out on top, according to senior Emma Crimmins. They lived up to their promise.

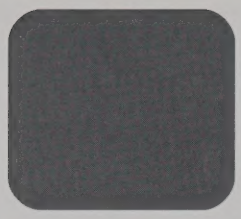
The game produced fireworks as seniors Jaime Russell and Chrissy Martin both put in solid kills for the Rebels. Fellow vets, seniors Courtney Gouthro and Jeannie Le, held up the defensive end. Le was especially strong, diving for saves.

The Rebels ended up on top 25-20.

I feel that were looking good, said varsity coach Lisa Cyr. We hope to make the State Tournament, and even though we are underdogs, we hope to be on top.







Golf

Team Roster:

Brian Ammidown, Brian Collins, Andrew DeChristofaro, Pat Falvey, Matt Feeley, Mike Flaherty, Rob Greeley, Chris Johnson, Brendon Maloney, Tom Tempesta, Chris True, Corey Menno

The Walpole Rebel Golf team had their backs against the wall the last week of the season, and they needed to play their best to make it to post-season play.

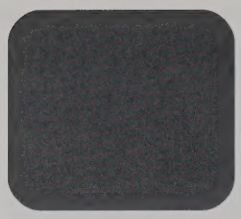
With two difficult losses on the road to Norwood and Framingham teams Walpole expected to beat -- the Rebels are frustrated with the opportunities they let slip away. We ran into a Norwood team who could not have played better, commented assistant coach Dan Loring. Nevertheless, Walpole put themselves in a situation they did not want to be in, having to win two of the last three matches against the powerhouses of Wellesley, Needham, and tournament-bound Natick.

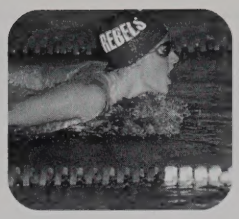
When Wellesley came to Walpole Country Club the Rebels put up a fight, with Corey Menno shooting an even par 35 and Chris Johnson a 36, escaping the first group with a one point lead. The Raiders proved too deep for the Rebels liking, however, and took the last three groups handily, with notable Pete Anderson shooting a 2-under 33. Walpole had let one of its three chances slip away. Natick arrived to Walpole in sloppy and rainy conditions, making it even more difficult for the visitors to get a handle on the challenging course. Walpole pounced on the opportunity and scraped out a much needed victory with solid play all around, including Christian True shooting a 43, Brian Ammidown shooting a 42, and Andrew DeChristofaro shooting a 44. Senior Captain Brian Ammidown noted, This was the confidence booster we needed to head into Needham.

It all came down to whether or not the Rebels could find a way to outwit Needham, playing on their own course with nothing to gain. Walpole did all they could and played well on an unfamiliar course, led by Mike Flaherty and Corey Menno who both shot 38. Encouragingly strong play came out of Thomas Tempesta, who shot 43 with a clutch birdie to keep his match tight. The Rockets were impressed with the Rebels who played as if there was no tomorrow, but they showed no mercy, putting out their finest players to finish their season in a stellar fashion with a record of 14-2, consequently eliminating Walpole from postseason play.

At the Bay State Golf Tournament at Framingham Country Club the day after, team all stars Chris Johnson, Corey Menno, and Mike Flaherty wanted to prove to the league they are a better team than their record shows. Johnson stepped up to the plate as the ace and shot a 79, coming in 3rd in a field of 36. Menno and Flaherty played average relative to the others, but not up to their high standards with Menno shooting a 90 and Flaherty an 88, each narrowly missing the right to be deemed league all star.

Despite the disappointing finish, the season was filled with fun moments contributed by Brian Collins, Pat Falvey, and Brendan Maloney. The team will make another run at the postseason next year with the help of Rob Greeley and his ability to hit the long ball. Coach J.B. Randall summarized, We underachieved this year, and some new players need to step up and raise their game to a new level. With hard work, there is no doubt we will have a say in the Bay State League next season.





Swimming & Diving

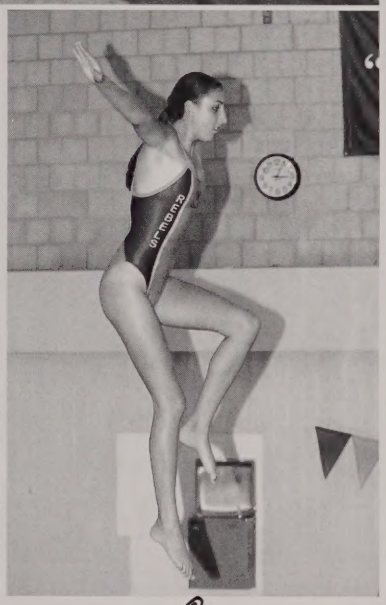
Fierce Competitors

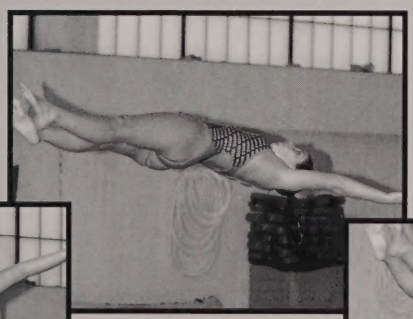
When a team loses 24 swimmers in two years and only has them replaced by four newcomers, you might expect for it to be a rebuilding year. However this does not appear to be the case for the Walpole Rebels Swim Team.

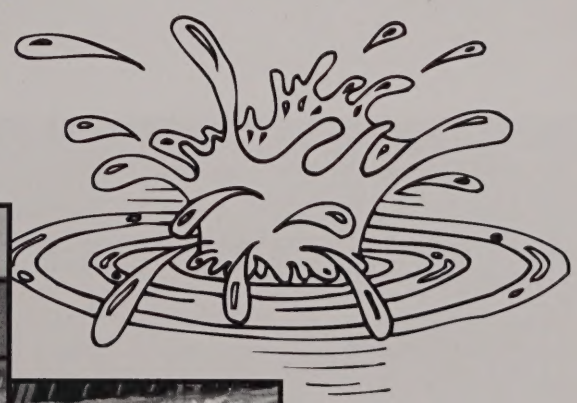
This young, yet determined team was led by senior captains Jess Gulla and Kim Wenzel.

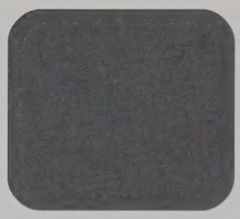
In many meets the divers took center stage. Newcomer Jackie Rando scored a personal best 175.45, which qualified her for sectionals at the end of the season, in the meet against Natick. Also Kim Gambon, a multifaceted diver and swimmer, swam exceptionally well in both the backstroke and in two relay events against Natick.

The team overall had a great season and sent many girls to the South Sectionals. Coach Cavanaugh is expecting great things for the 2008 season.









Boys Soccer

Standing: Chris Donovan, Scott Bradbury, Chris Groves, Dean Cohn, Mike Freiberger, Davod Hoag, Nick Mucciarone, Davis Butts, Zach Waple, Will Eicher

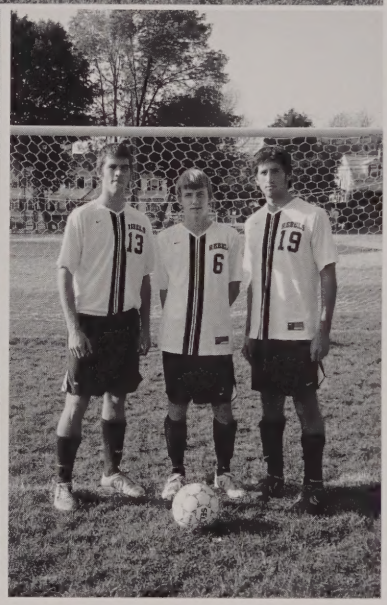
Kneeling: James Connolly, Mike Quintanilla, Michael Sanfillipo, Eric Cisternelli, JP Lawton, Justin Cotellessa, David Esteves, Anwar El-Husayni

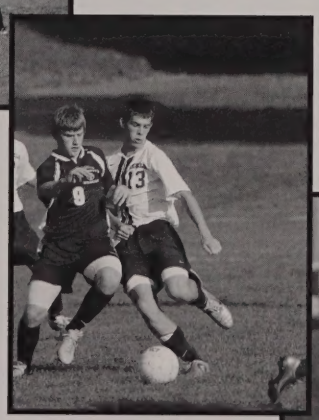
Tournament Bound

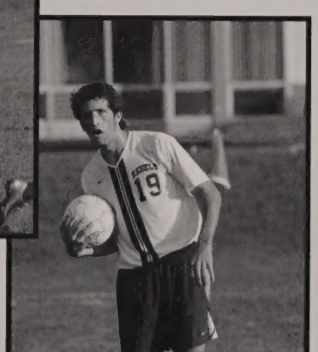
Dedham was ranked as the top team in the Bay State Herget Division by preseason experts; these experts must have forgot about the Rebels and their slew of returning varsity veterans. Returning all but four starters from 2006, the squad looks to outsmart the rest of the league in 2007. This wisdom coupled with speed and solid foot skills up front should provide the Rebels with a terrific chance to win the Bay State League. Walpole is led by senior captains Mike Sanfillipo, Dean Cohn and Scott Bradbury -- all of whom are in their third year of varsity play.

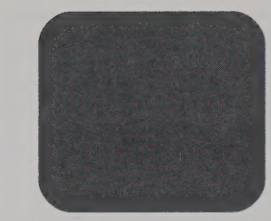
The experienced team played exceptionally well all season and earned a spot in the sectionals of the state tournament. The team went into the tournament ranked number 3 with an overall record of 12-3-3. The team had a bye in the first round and then went on to defeat Plymouth North and barely escaped Nauset. The game against Nauset was so tight that it went into penalty kicks! Unfortunately the team lost to Sharon in the semi-finals 4-1.

Although disappointed with the outcome of the season, the team is returning many varsity players and the 2008 season appears promising.

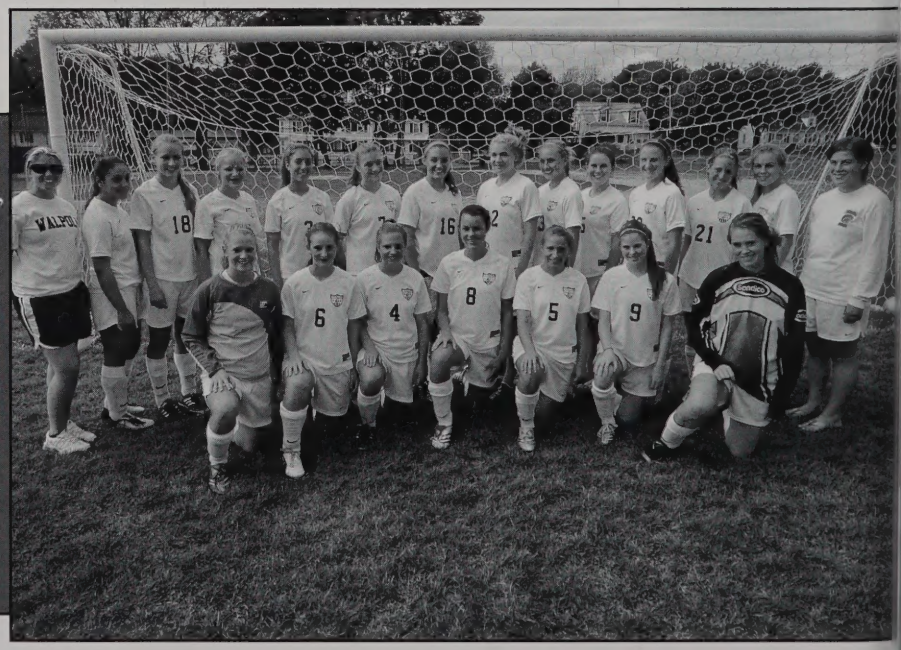








Girls Soccer



Back Row: Coach Lindsey Bruno, Vittoria Petrillo, Erin Mullet, Jacey Dold, Allie Memmo, Jess Papirio, Jess Guisti, Molly Grimes, Kaitlym Bradley, Katie Cavelich, Alice Gallivan, Lauren O'Shea, Alicia LaVita

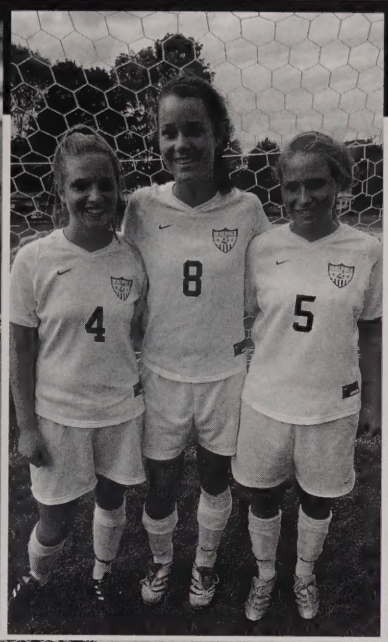
Front Row: Erica Doolan, Molly Haswell , Ali Theodore, Caroline Stedman, Mimi Theodore, Lauren Killduff, Julia Frankel

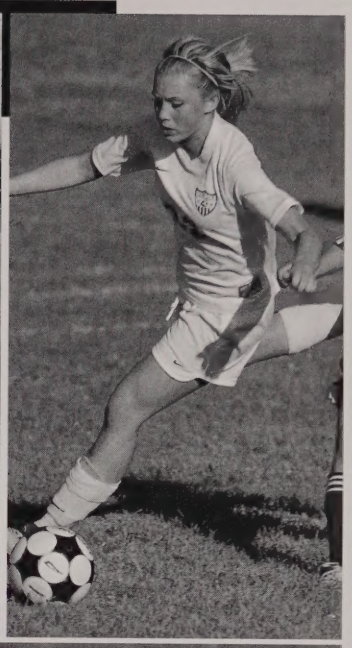
Unlucky Season

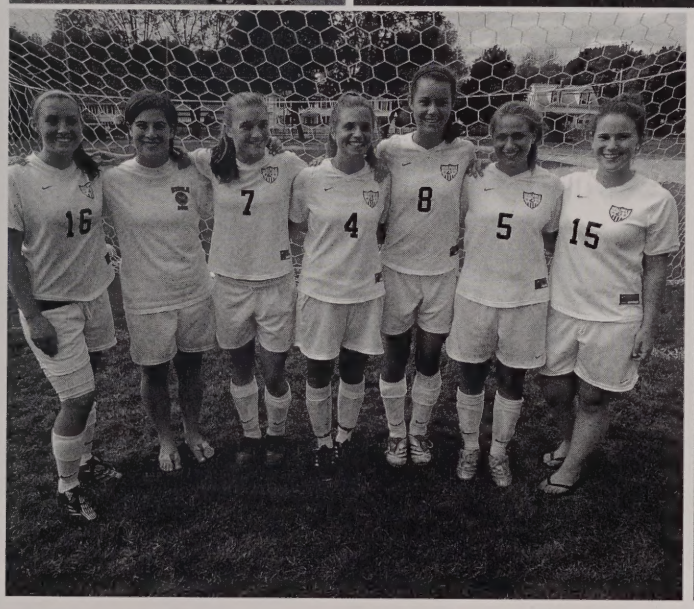
Luck was not on the side of the 2007 soccer team. Plagued by injuries and tough losses, it did not appear that luck was ever on the side of this team.

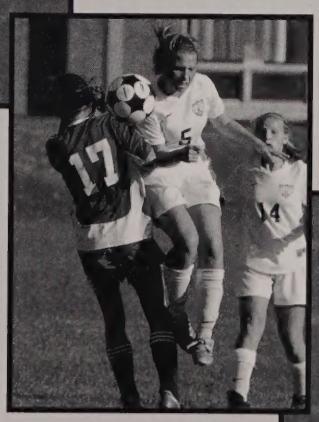
Starting out the season with a new coach and only a handful of returning varsity players the team had it rough from the start. The young team already unaccustomed to playing with one another suffered numerous injuries, many of them season ending. Senior Captain Caroline Stedman returned to the team with a facemask to protect a broken nose and sophomore Molly Grimes missed the entire season due to a broken foot. Sennior Ali LaVita suffered a concussion so severe she was forced to miss the second half of the season. These and other injuries had a significant impact on the season. The girls also did not have a head coach for two games in the season, leaving them without direction or leadership.

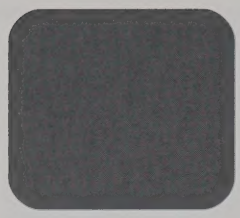
Despite such difficulties, the girls did give the teams in the Bay State League some strong competition. With many returning players to the 2008 team, the lady Rebels are eager to put the 2007 season to rest.



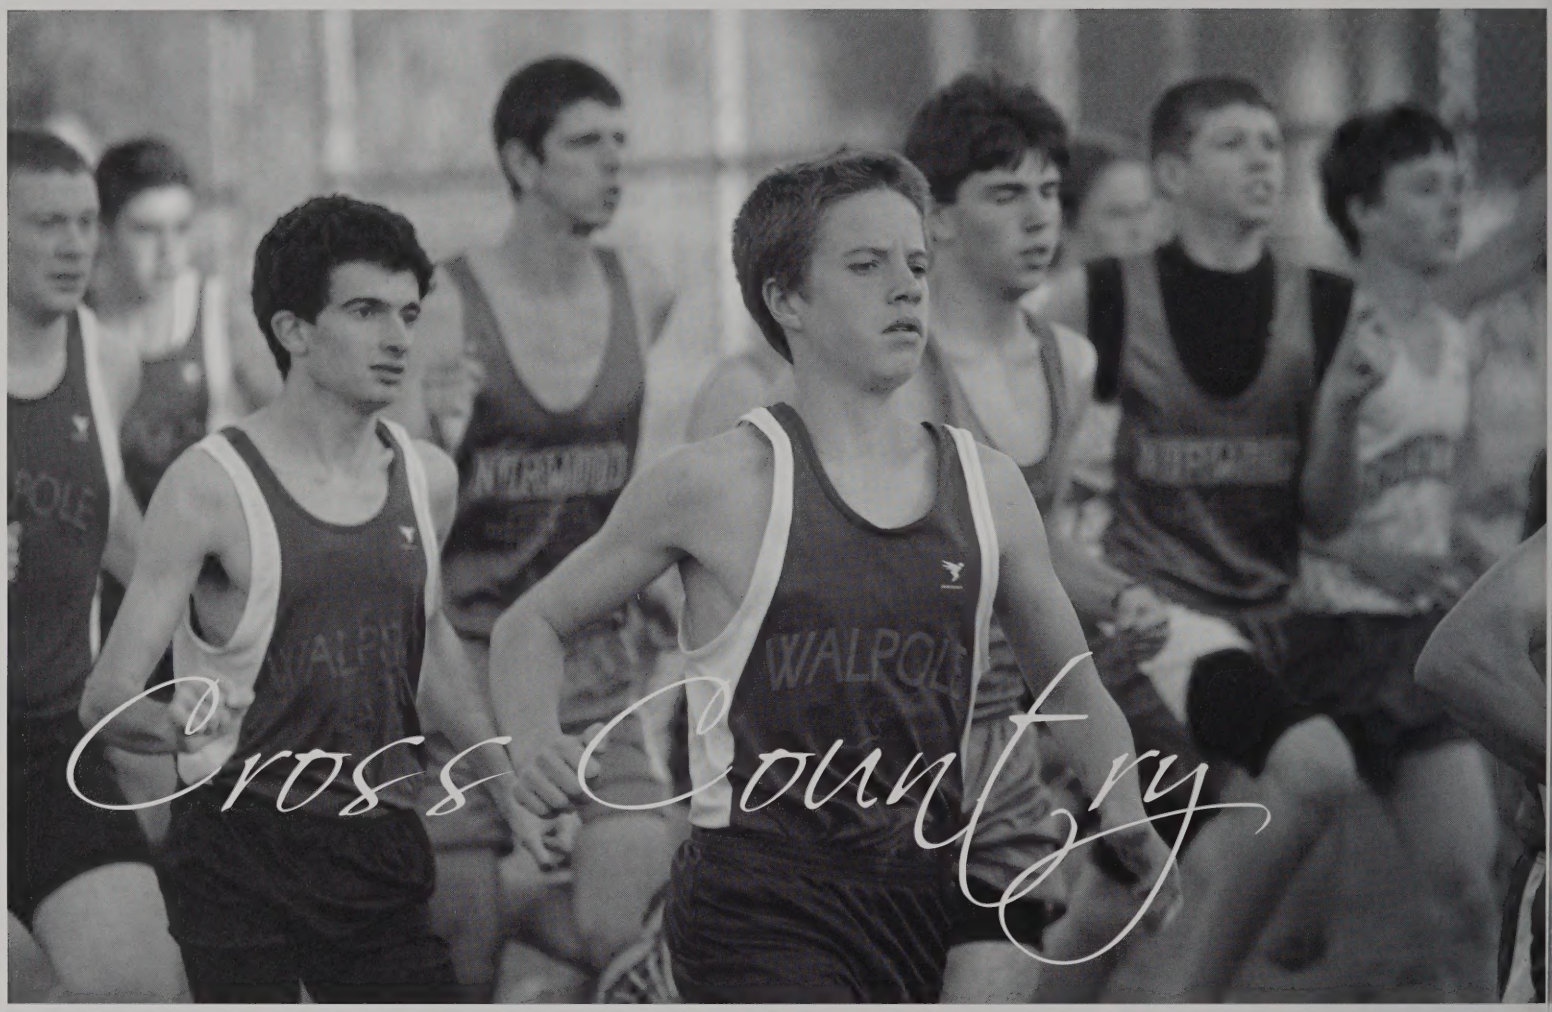








Cross Country



James Bilodeau, Brian Coveny, Joe D'Errico, Eric Flaman, Dan Horgan, Rob McCarthy, Matt Murphy, Ryan Ollis, Colin Bannon, Sam Brown William Colon, Chris Lotsbom, Kevin Conley Ryan Doherty, Benjamin Goula, Dave Luongo Ryan McGuill, Brad Murphy, Zachary Bannon Chris Carley, Peter Conroy, Phil Conway Mike Gilmartin, David Miethe, Dylan Murphy Calvin Pratt, Michael Siteman, David Wians

Captains: Matt Murphy, Rob McCarthy, Eric Flaman & Dan Horgan

Walpole High Schools cross country teams came back home from the Bay State Invitational at Franklin Park with more hardware than anyone expected. Ten runners medaled (which requires a top 25 finish in a race where there could be as many as 400 runners competing).

This is the strongest showing in a long long time at an invitational, said coach Tim Giblin, who was extatic in reaction to the results.

Everyone from the freshman newcomers to the varsity runners performed well. Three freshman, who had no experience running at a meet so large, placed under 12 minutes for the 3K race. Leading was Peter Conroy, who placed 13th (11:12), just ahead of Dylan Murphy who was right on his tail in 14th (11:16). Stepping up big was Calvin Pratt, who ran 11:51 finishing in 43rd. This freshman pack solidifies what is already a strong underclass team.

In the JV race, the athlete of the meet was Kevin Conley. Sophomore Conley improved his time from last year by two minutes. His new personal best time is 19:52, which makes him very close to cracking the top seven as a varsity runner.

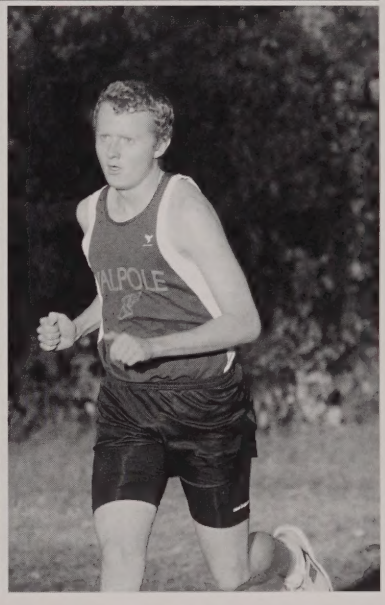
Conley has showed a tremendous improvement from last year. He has had the most freshman-to-sophomore-year improvement out of all the sophomores said Giblin. With the team currently pretty banged-up, Conley could squeak onto the varsity for one of the last meets of the season.

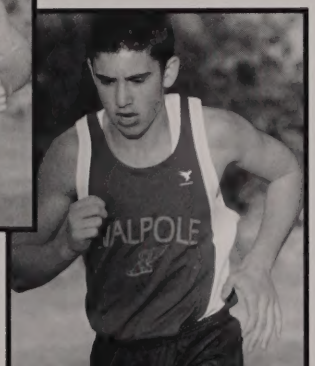
In the varsity 5k race, the boys finished in eighth place out of 41 teams. Coach Giblin reflected on the race as a success.

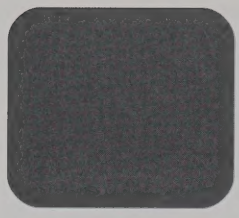
Considering last years 19th place finish and the highest I had ever finished has been 9th before at this meet, we did awesome. Our young talent really helped us.

Leading everyone was sophomore Ryan Doherty. This first year runner has surprised many with his smooth transition from the track to the woods. He finished in the 19th spot, running a time of 17:23. Coming in right behind was Captain Eric Flaman, who out-kicked an Oliver Ames runner for the final medaling spot, 25. His time of 17:29 was also a new personal best. Following him was Chris Lotsbom, who has battled a nagging hip injury for four weeks. This injury threw him off pace to a 18:17 and 75 place finish. Also finishing in the top 100 were senior Captain Dan Horgan (81, 18:25) and sophomore Ben Goula (92, 18:33). The Rebels also raced without senior captain Rob McCarthy, who was fighting an illness at the time of the race.

Both the boys and girls teams look to continue their progress into the future, with big meets such as the Bay State League Meet and the Eastern Massachusetts qualification meet, where runners may qualify for the All State Meet. Coach Giblin believes that if we can continue to run well and improve even more, we can secure a berth in the All State Meet.







Cross Country

Christine Corcoran, Annie Desmond, Olivia Caron, Kat Cullen, Kristen Desantis, Hillary Griffen, Amanda Murphy, Olivia Perry, Diana Wiseman, Brenna Donnelly, Erica Hawley, Sophia Koukoulas, Christina DiVirgilio, Savannah Harik, Kathryn Russo, Emily Jones

Walpole High Schools cross country teams came back home from the Bay State Invitational at Franklin Park with more hardware than anyone expected. Ten runners medaled (which requires a top 25 finish in a race where there could be as many as 400 runners competing).

This is the strongest showing in a long long time at an invitational, said coach Tim Giblin, who was extatic in reaction to the results. The girls team also had a truly successful day, taking four medals. The freshman started the day off with an impressive showing. Savannah Harik finished 15th with a time of 13:30 and Kathryn Russo entered the chutes 17 seconds behind in 22nd. Both brought home medals. Also, Christina Divirgillio rounded out the top three with a 38th place finish. This core three along with Emily Jones proves that the Running Rebels have great underclassmen strength.

In the varsity race, everyone from Walpole finished in the top 125. Leading was Diana Wiseman in 17th with a time of 20:12. Wiseman and fellow junior Liv Perry ran the whole race together, with Diana getting the edge at the line; Perry finished in 20:15. Both successfully earned medals for their race.

They raced well and can be considered one of the best one-two duos in the state, said coach Giblin, but, I believe they are capable of better races.

Next were the newcoming juniors Hillary Griffin and Amanda Murphy, both running at Franklin Park for the first time. Finishing 57th and 81st, respectively, this duo along with Perry and Wiseman make up a team comprised with tremendous junior power. Senior captain Annie Desmond, continuing to perform well, has also joined this group.

Not only do the Rebels have power with upperclassmen, they have shown promise with the sophomores too. Erica Hawley and Brenna Donnelly have made strides since last year, running the race in 22:35 and 22:51 respectively.

Both the boys and girls teams look to continue their progress into the future, with big meets such as the Bay State League Meet and the Eastern Massachusetts qualification meet, where runners may qualify for the All State Meet. Outstanding Season

For the Walpole High School winter Cheerleading squad, 2008 has been another historic year.

Last year, the group took third in the Bay State League-- the best placement in Walpole history. They then went on to the Regional competition where they finished fourth and came up just eight points shy of advancing to the State Finals.

This year, the Rebels team is even better. Walpole took second at the Bay State League championships in Milton on February 7 -- another all-time high placement -- and they repeated as Herget Division Champions for the sixth year in a row. That performance advanced the bunch to Regional competition in Taunton on March 2, where they again performed strongly.

The Rebels took third place at the Regional competition with a routine that dwarfed the complexity of last years.

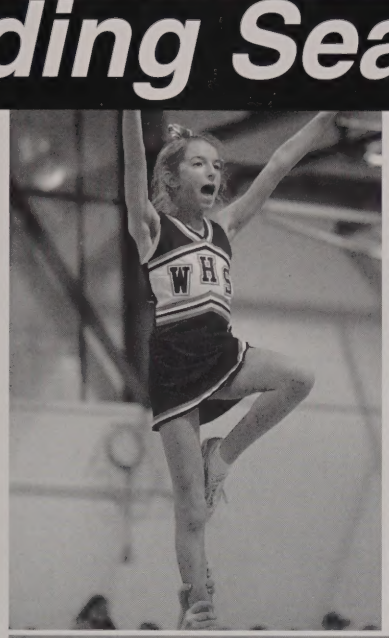
In 2007, they nailed every stunt, stuck every handspring, and exacted every dance move en route to their historic season. But this year, the degree of difficulty of their new routine raised their level of competition, significantly helping them gain an advantage in spite of any missteps.

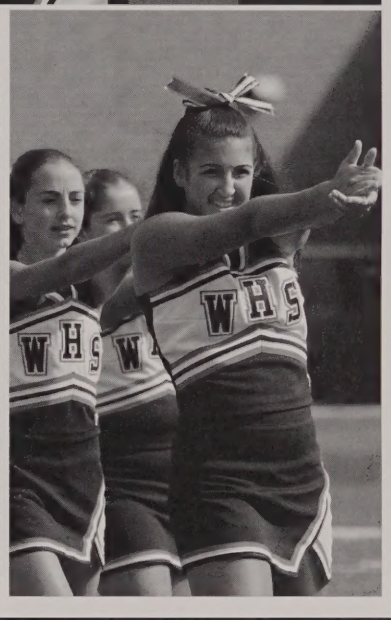
Leading the way for Walpole were senior captains Molly Rosenman, Molly Gouthro, and Allyson Moran. Rosenman, a flier, soared up in the air under the tosses of sophomore Erin Horgan, junior Paige Morrone, and Moran. Gouthro, a backspot, provided a steady hand on the competition mat. Senior captain Brooke Johnson, a base, was unable to perform because of a back injury.

Sophomore flier Kaleigh Garvin performed well, as did sophomore base Stephanie Habib. Horgan, a tumbler, performed a round-off double back handspring layout.

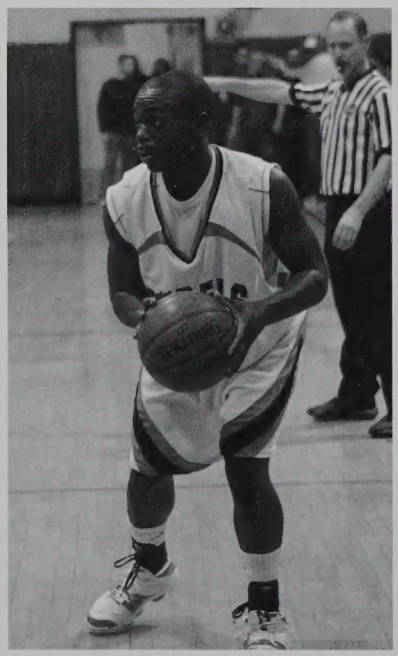
Walpoles third place finish was good enough to move the bunch to the State Finals; but Coach

Courtney Doherty and her team have chosen to forgo the experience in deference to the approaching arrival of Coachs baby.





Boys Basketball



Finish the season at 11-9 and make State Tournament

Walpole's two senior point guards Joe Cabral and Dale Johnson led the team and provided an experienced front court. Sophomore Ryan Izzo and Juniors Chris Ferro and Marvin Toussaint played the shooting guards. Juniors Derek Hand, Steve Sifferlen, along with senior Jack Swanson were the forwards, and the teams' enforcers in the paint. This team had an advantageous mix of size and speed and were undoubtably a tough team to match up against. They could beat their opponents off the dribble by sheer hustle down the court or taking it down low. Walpole generally controlled both the glass and the game. Despite the many team strengths, there was some shooting troubles that kept the team from posting stellar numbers. They finished the seaon with a record of 11-9 and made the tournament as the 17th seed.

Despite losing in the first round to The Academy of Public Service, the future of this team is very bright. New coach Dave St. Martin is very pleased with the growth and development of his team. Although the team will lose six key seniors, Walpole returns many seasoned varsity athletes who are eager to go farther in the tournament than they did in 2008.

Rebels scramble for the loose ball

Wins Bay State League for the fourth time in five years!

Finishing the regular season with an overall record of 18-2, and winning the Bay State League, the girls basketball team was favored to go deep into the playoffs. Walpole was the second overall seed in the Division two South and crusied through the first three rounds of the tournament with ease.

After easily beating Canton and Dighton-Rehobeth, the girls faced their first real challenge of the tournament - Medfield. Despite an aggressive run by Medfield, Walpole won 58 - 51. On to the finals!

The Division Two finals were held at UMass Boston on March 8th. Walpole was matched against fourth seed Wellesley. The two teams battled the entire game and despite a huge three by Senior Megan Johnson, the Rebels could not regain the lead.

Even though they did not win it all, they mangaed to take back the League title and bounced back from a first round loss last year. The team is a major contender for next seaons with many retuning players with signisficant game time experience.

Gymnastics

Flip from the cutting board to the top 10!

The Rebel Gymnastic team has come a long way in a very short time. The team that was slated to be dropped from the athletic programs at Walpole High came back this season with a vengeance going further than any team has in many years. With an influx of new talented underclassmen and the veterans taking the front stage, the Gymastics team finished their season off by placing 7th in the Herget Division of the annual Bay state Conference on January 19th. Captain Kady Sullivan, who currently holds all records for gymnastics at WHS, recieved first in the all-around competition ans well as on the vault. Junior Kerry Clark's and freshman Amanda Carney's outstanding performances throughout the entire season reaffirm their potential and reasser their value to the team. Many freshman, sophomores and juniors of this year have the potential to fill the gaps where many of the out-going seniors left off and lead the team to achieving more than this year and years past.

Walpole pins first trophy in program history

Walpole wrestlers ended the regular season with dominance and continued to impress throughout the post season. The Rebels were represented in the State Tournament by sophomores Paul Cunniff and Steve Shevory and juniors Dave Nostro, Evan Locke, Mark Ellis and Dave Wyman, and finally by senior Tom Fraser.

Steve Shevory did very well placing a respectable fifth at States. Shevory won the right to advance to All-States because of his high finish. Fraser also did exceptionally well, finishing second at states and second at All-States. Fraser then went on to finish sixth at the New England Tournament.

for the first time every Walpole qualified as a team for the Team State Tournament. A tough loss to Natick in the final gave Walole a second place finish, which would win Walpole's first ever team trophy. With an abundance of wrestlers in the State Tournament, Walpole proved to the Bay State League that this year was anything but a rebuilding year. With the experience of this season, the Rebels hope to carry the same momentum to a first place finish in the State Team Tournament.

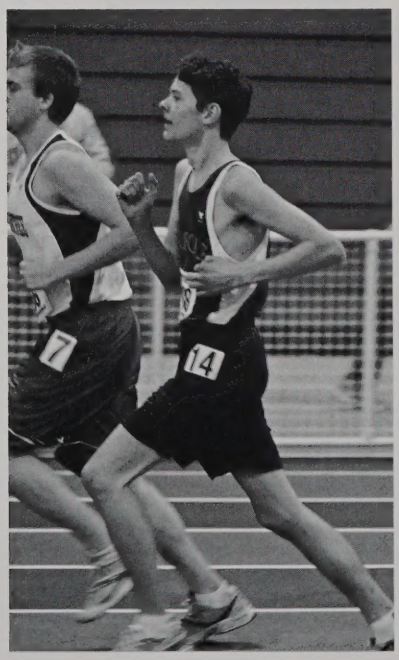
Boys Track



Team Continues to Improve

This season proved to be a successful catapult for many to qualify for the Class C Indoor Competition. The four by four relay team, consisting of senior Mike Sanfillipo and juniors Mike Quintanilla, Jarrod Goula and Vinnie Lee. The team qualified with a time of 3:41.90, but bettered that time with finish of 11th with a time of 3:40.15.

The team was also successful in many other individual areas. Sanfillipo and sophomore Ryan Doherty both ran the mile and finished in 19th and 20th place respectively. Lee qualified to compete in the 300 meter dash, but did not make the finals. Junior Bobby Fitzgibbon, who hold the Walpole High School record for the high jump at 6'1", placed 14th overall in the class meet.

The team as a whole had a strong season, although not winning as many dual meets as they had hoped, but Coach Giblin is very optimistic about the future of his team. There is a lot of depth in many of the events that will produce results in upcoming years.

Strong performance in 2007-2008

Similar to the boys team, the girls had a strong presence in the Class C Indoor Competition. Finishing12th in the 4 by 800 meter relay, junior Molly Haswell, sophomore Amanda Waldron, freshman Brigette Lawton and junior anchor Diana Wiseman ran their race in 10:30. The girls four by two hundred meter relay finished in 12th place. Improving their seed time by a second, junior Emily Russo, senior Christine Corcoran, sophomore Andrea Zoppo and sophomore anchor Erica Hawley finished in 1:52. Competing in the girls high jump, Hawley was only able to clear 411. Her personal best is 53. Hawley also ran in the 55 meter hurdle event in 9:29. Hawley placed 10th, the best placement for any Walpole athlete at the state competition. Senior Jess Papirio who had an outstanding final season placed 14th in the 1000 meter run. Papirios personal record is 3:07 which she came close to at states, 3:14.09. Running the two mile, Liv Perry finished in 13th. Perry beat her seeded time of 12:16.24 by 5 seconds, 12:11.27.

The successs of those at the Class C meet is a result of the hard work and dedication of the entire team as a whole. the girls push each other to run faster, jump higher and throw farther. The Rebels will continue to be a presence on the track at the Reggie Lewis Center.

Boys Hockey

Young Team Leads to Respectable Season

With the addition of several sophomores to the varsity lineup, the Rebel Hockey team was looking forward to a competitive 2007-2008 season. Losing only four seniors and adding a strength and conditioning coach, Walpole was ready to make noise within the Herget Division and push for a playoff berth.

The team hovered at the .500 mark for most of the season and finished with a record of 9-12-1. Although they were unable to make the post season, they continued solid play through the last game. Despite not making the state tournament, the season was still a success. The team won six more games than last season and dramatically improved their performance through a strenuous workout program, enthusiasm and a yearning for victory, the Rebels held their own.

Walpole's mix of experienced seniors and numerous younger players worked in their favor. The 2008-2009 season will see the return of four starters and the team has plans for more sucess and furthering their tournament play.

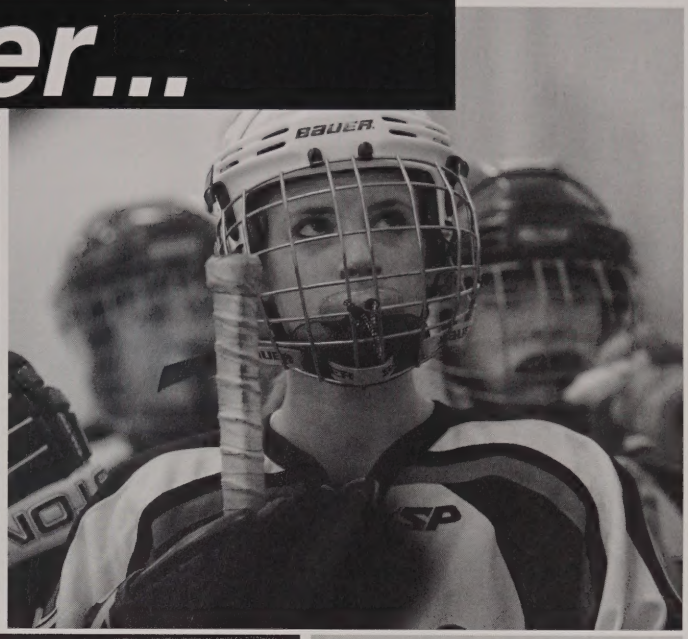
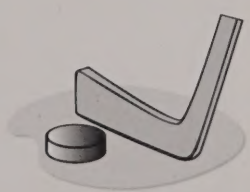
Better & Better...

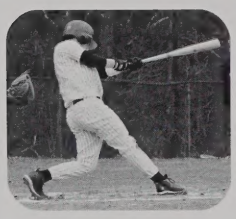
The Girl's Ice Hockey team is getting some attention around the Bay State league. Despite being a very young team, they have proven that they have the potential to be a very good hockey team in the future.

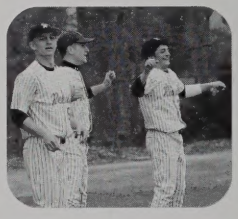
The team had a tough schedule against many teams that have been playing at the varsity level for much longer than the young Walpole program. This schedule did not scare this aggressive and eager team.

The team was led by Senior Captain Chelsea Cleary, Associate Captain Junior Susan Cunniff and Sophomore Associate Captain Kelly Duffy. Chelsea will certainly be missed by the entire team. The remaining varsity members are eagerly anticipating the 2008-2009 season and are hoping to make it into the state tournament.









Tournament Bound Once Again!

Once again Coach Tompkins lead a very strong team into the state tournament with high hopes of clinching the state title. In an 11 inning nail biter, the Rebels lost 7-6 to B.C. High.

For the last four years, whenever anyone thought of Walpole baseball they thought of past player Sean Mcdermott, well those days are over! The team has been handed over to Senior Captains Billy Hickey, Sam Murray, Niccolo Mastromatteo and Joe Cabral. These seniors have led the team to a regular season record of 15-5. This group of seniors will be talked about for ages.

Despite the loss in the tournament, this team can be very proud of their accomplishments. There were many highlights to this season, such as their wins over Bridgewater-Raynham, Xaverian, Natick as well as Marshfield.

Coach Tompkins is eagerly looking forward for the chance to take on the state title next year!

Softball once again tournament bound

The girls softball team performed well with 17 runs in the first two games of the state tournament. This excellent showing in the state tournament enabled the team to make it to the quarter-final round before a divesting loss to Dighton-Rehobeth. Coach Jim Duffy said that he was satisfied with the team's performance in the tournament. The team, with senior captains Kim Cunniff, Lauren Johnson, and Shawna Richardson had an impressive season finishing the regular season with a record of 14-6.

The team had powerful hitters and pitchers, and worked well together as one unit. As the 2008 season ended, eight starters have graduated leaving the team and Coach Duffy hard pressed to start the 2009 campaign. The senior "star" players included Shawna Richardson, Kim Cunniff, Haley Smith and Lauren Johnson. Coach Duffy said that Meghan Johnson deserved to be a star, Mimi & Ali theodore gave 100% at every practice and game and Katie Bethoney was a pleasant surprise.

Despite the loss of such talent from the team there are some very promising underclassmen - juniors Alissa Brown nad Lauren O'Shea, sophomores Stephanie Frye, Kellie Duffy and Samantha Cametti, who will hopefully propel the team through another successful season and tournament.

Boys Track Wins First Herget Title in Team History

After a dismal performance last spring, the team has turned around and grabbed the Herget Division Title. With their 102-33 victory over Dedham to close the season, they solidified their first place in the Herget Division and their first championship in team history.

As usual the team continued to show dominance in the distance events and a newfound strength in the sprints behind junior Vinnie Lee.Throughout the season the team has seen strong performances from many of it's members, in particular a new found competence has come from the jumpers. Jumpers Carrie, Lee and El Husayni have shown dominance. Other field events show great promise as well. Nick Rockwell has proven to be a force in the discus circle and newcomer Ryan Collins qualified for the state meet in the Javelin.

Coach Giblin is very excited about the future of the track and field team at WHS following such success this year. "With the increase in depth, more athletes in the skill events, and the addition of the new coach Bob Chute, hopefully we can continue our success next year."

Girls Track

Girls set the track on fire!

When the girls set foot on the track for their final home meet of the season on their brand new track they came ready to do some damage, the only thing that stood in their way was Dedham. Dedham did not stand long, going down to Walpole 89 to 47, in what was the best way to send off six outstanding seniors!

Throughout the season there have been many outstanding performances. The distance and mid-distance races have seen strong performances from Jess Papirio, Diana Wiseman, Liv Perry, Amanda Murphy, Kathryn Russo, Annie Desmond, Allie Memmo and Courtney Shea to name a few. Sophomore Erica Hawley continued to dominate in the 100 Hurdles all season.

Finally an area that has been a weakness for the young rebels have been field events. With the addition of a new coach, as well as new talent from Jeannette Thulin and Andrea Zoppo in the jumps, Jacey Dold and Kristan Papirio in the javelin, Jess Caron in the disc, the team has begun to show depth in an area that had little prior.

The performances of the girls on the track this season area product of four years of commitment and dedication.

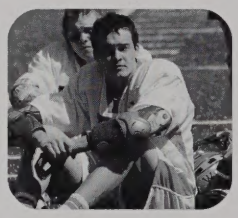
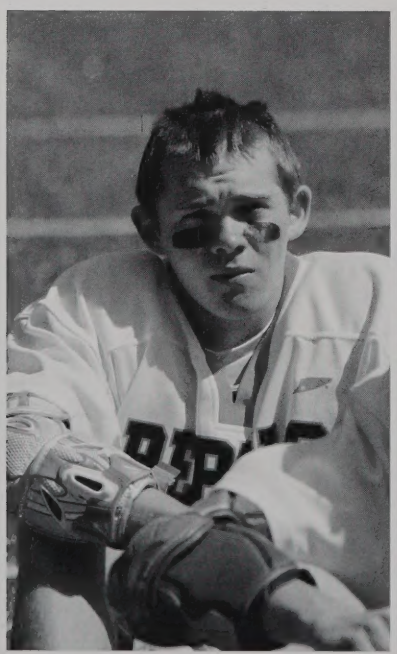
Boys Lacrosse





Most Successful Season in Team History

The team finished with a record of 21-1-0 and captured the Bay State League title. With a record as outstanding as this is it no question that they were tournament bound. After handily winning the first rounds of the tournament the team faced trouble when they met up with Medfield in the semi-finals. Unfortunately their dreams of a state title were taken away with a 10-5 loss.

Despite their loss of the state title, the team put in a valiant effort all season. Senior captain and defenseman Ryan Whittemore was often his own harshest critic and put much emphasis on the teams need to play good defense to win games. Top scorers Davis Butts and Mike White can only score so many times, it takes help from others teammates like Senior Captain Greg Nassh as well as Brian Orrechio and junior Leo Ajemian. Senior goalie Cameron Crown also had a very solid season in the net.

The team looks forward to taking the state title in the 2009 season!

Girls Lacrosse

Girls upset #1 Tourney Seed

Coming into the last game of the season, hardly anybody thought that the team was anything special because the Rebels were not supposed to make the playoffs. After defeating Frankin to the the regular season, the girls clinched the 17th spot in the tournament.

Despite the low ranking, the very young girls squad fared much better than most expected. The team defeated Dover-Sherborn 11-8 in the preliminary round and went on to defeat Hopkinton in squeaker of 14-13. Unfortunately the team could not outplay 8th ranked Duxbury in the quarter-finals.

The season was a good one, where all the new and old varsity players adapted to each other well, quickly learning their teammates strengths and weaknesses. Coach Cochrane believes the lacrosse team's greatest strength was the senior leadership from captains Jess Guisti, Caroline Steadman and Brittany McLean. Coach Cochrane notes, "the junior varsity was very strong this year, so we will have more depth next year. Even though we will miss our seniors tremendously, i think we will continue to improve as a team."

Boys Tennis

Best Boys Tennis team in eight years!

Coach Shawn Gough dubbed his 2008 crew the best team in 8 years. First thought to be a rebuilding year, the Rebels proved all skeptics wrong. With major victories against Natick, Millis, and Catholic Memorial, the Rebels ended up surpassing their win total of a season ago (10). Walpole finished a surprising second in the Bay State Herget Conference, earning theme 15th place seed, playing league foe Natick, in the first round of tournament action at home. During the regular season, Walpole split their two battles with the Redmen.

In their playoff battle, Natick narrowly edged the Rebels, winning 3-2. The four seniors Dean Cohn, Zach Hagopian, Tim Bergen and Chris Johnson ended their high school careers in a disappointing fashion, yet their season was still very successful.

"Solid leadership and tremendous improvements" answered Coach Gough when asked about his seniors. "We are going to miss this tight group. The juniors have learned from the best, and hope to step in big next year."

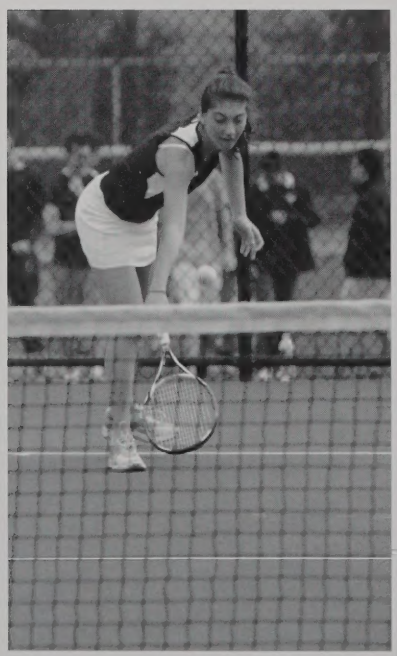
Girls Tennis



Rebuilding Year for Rebel Squad

The girls tennis team felt a huge void at the beginning of the season with the loss of so many valuable seniors; however, with a record of 4-12, the seven inexperienced varsity players have made a strong effort to replace last years team.

Team had to overcome many obstacles from the loss of many all-stars to graduation to Senior Captain Carolyn Cawley's ankle injury early in the season, which left a void in the girls singles ladder for over two weeks.

The team has begun to recover with the addition of so much young talent. Sophomores Jordana Rosen and Caroline Szum, along with freshman Meg Anchukaitis and Lauren Kemple have helped to fill in the missing spots on the singles ladders, while Juniors Julia Frankel and Elizabeth Higgins have also climbed their way up the ladder to contribute to the success of the team.

Coach Powers has been "pleased with the season. It has been a building year for next year. The freshmen are very promising, so next year I expect to have a big jump in our record and hopefully make it to the tournament."
